

Mrs J Deeks  
Horndean Baptist Church

Dear Judith

Thank you so much for your generous giving to the Baptist Together Home Mission Appeal. We are deeply grateful for your faithful commitment and continued partnership in supporting the vital work of mission and ministry across our region and beyond.

Your contributions to Home Mission help to make an incredible difference. Through your giving, we can:

- Support churches in key areas of ministry and mission, including pioneering and re-imagining church life in changing communities.
- Fund regional ministers who walk alongside churches and leaders, offering guidance, support, and spiritual encouragement.
- Enable chaplains and mission workers to be present in prisons, hospitals, schools, and various communities where the presence of Christ can transform lives.
- Help plant and sustain new expressions of church and outreach initiatives that may not be financially viable without Home Mission support due to the challenging contexts.

As we continue to see lives touched and communities transformed, we would love to invite your church to go a step further this year. Would you consider hosting a special Home Mission service, in addition to your regular giving, with a dedicated offering to support this vital work?

To make this as easy and inspiring as possible, we've prepared a range of service outlines and video resources which you are welcome to use. [These resources](#) are designed to fit easily into your context and to help your church engage meaningfully with the vision and impact of Home Mission.

You can find the resources and more information on the [Southern Counties Baptist Association website](#), or by contacting us directly if you need support in planning your service.

Thank you again for all that you do in the name of Christ. Together, we are seeing God's Kingdom grow in creative, courageous, and compassionate ways.

Yours in Christ
